westrockpools.com

We are a proud family-owned business in Nanuet, N.Y. We've been serving the Rockland, Bergen, Orange, Putnam, and Westchester County regions for over **56 years**.

The company was founded by Robert Ball and Steve Bari who are known throughout the northeast. Steve has now retired and has been followed by his son, Andrew. Andrew Bari and Robert Ball are an unmatched pair who have dedicated their lives to designing and building quality pools. While design and construction are important elements in swimming pool design, quality workmanship done within budget and on schedule are among the factors that make Westrock Pool & Spa the premier swimming pool company in the Tri-State area.

The company's top-notch, professionally accredited staff of designers, sales, and technical personnel, as well as installers and craftsmen, have acquired years of experience in handcrafting swimming pools, including above and in-ground, vinyl and gunite pools. The company also provides a year-round repair service on pools, hot tubs, and spas.

***Our mission after 56 years in business is to thank our community
Westrock gives back!***

Robert and Andrew provide a "Heroes Discount" that entitles servicemen and women, paramedics, firefighters, and police officers a reduction in the cost of over-the-counter pool chemicals and accessories.

Westrock Pools also proudly supports and donates to many local charities such as...

“On behalf of Our family, we would like to extend our sincerest thank you for choosing Westrock Pool & Spa. If there is anything we can do to improve your experience, please contact us directly at 845-623-3844 or email us at info@westrockpools.com”

Sincerely,
Robert Ball - *President* | Andrew Bari - *Vice President*

An aerial photograph of a large, rectangular swimming pool with a spa and sun deck. The pool is surrounded by a grey stone patio. On the left side of the pool, there are four wicker lounge chairs and a closed patio umbrella. The water in the pool is a clear, light blue color. The spa is located at the top right corner of the pool. The pool is situated in a backyard with green grass and trees visible in the background.

A Vacation In Your Backyard

Paradise can be only a few short steps away from your back door. A place where you can relax, play, dine, tan, swim, and keep cool. There is no place like your own pool for cooling off on a hot summer day. Owning a Westrock Pool is a great investment that will also add value to your home.

EQUIPMENT THAT WORKS TOGETHER FOR ULTIMATE EFFICIENCY

50% MORE HYDRAULIC EFFICIENCY*

The Versa Plumb System reduces hydraulic resistance by up to 50% versus other equipment sets in its class.

USES LESS HORSEPOWER

The Versa Plumb System's increased hydraulic efficiency allows for up to a 1/2 HP smaller pump to achieve the same level of flow, resulting in greater energy savings.

40% FASTER INSTALLATION

Fastest installation due to our pre-assembled plumbing kits, which enable quick and consistent equipment plumbing design to reduce installation costs.

50% LESS PLUMBING PIPE AND FITTINGS

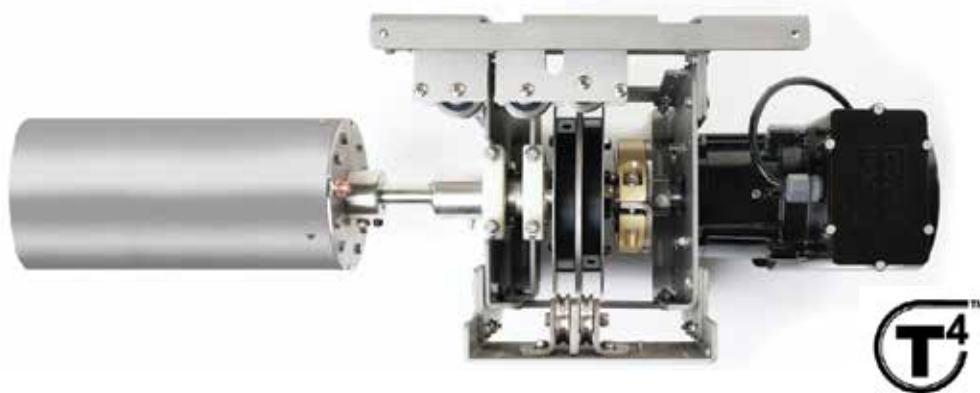

Innovative system design requires less plumbing pipe and fittings, while increasing hydraulic efficiency.

*Comparison is between Jandy Versa Plumb System using a Jandy Pump, Versa Plumb Filter, LXi™ Heater, AquaPure® Salt System, and Never Lube® Valves with sweep elbows versus competitors' equipment using comparable pump, filter, heater, sanitizer and valves.

YOUR COMPLETE AUTOMATIC POOL COVER SOLUTION

When Cover-Pools founder, Joe Lamb, invented the automatic pool cover in 1959, he also created a safety device to protect his family. Since then, we've been protecting families and their pools with the most innovative pool cover systems in the world. Try the NEW T4™ – the first and only automatic pool cover system designed for stainless steel cable.

TIME-PROVEN WARRANTIES

We believe the best warranties are backed by the most reliable companies. Every Cover-Pools system comes with a standard lifetime warranty on the mechanism, 7 years on fabric and 3 years on the motor, controllers and other components.

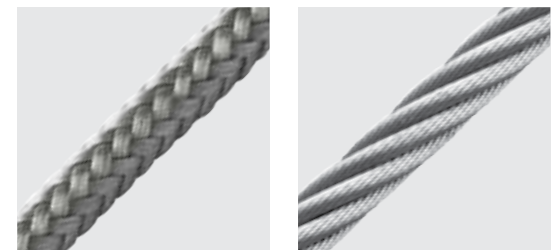

EXCLUSIVE TECHNOLOGIES

Our QuadCore™ pool cover fabric is reinforced with a tear-resistant polyester mesh then dual-pressed with a vinyl resin for ultimate durability. Our CorrResist™ technology is the best solution in the pool cover industry for fighting corrosion.

EXPERT TRAINING & CUSTOMER SUPPORT

We provide our dealers with the highest level of customer service in the industry. Our toll-free technical support number is always answered within the first few rings. In-person training and classes are also available from our team of experienced pool professionals.
